ADDENDUM TO FIDLAR TECHNOLOGIES, INC.'S AGREEMENT

THIS ADDENDUM ("Addendum") is entered into by and between Williamson County, ("County"), a body corporate and politic under the laws of the State of Texas, and Fidlar Technologies, Inc., ("Fidlar"), a company authorized to conduct business in the State of Texas (hereinafter each referred to as a "party" or collectively as the "parties").

WHEREAS, subject to the changes herein, the parties have executed and accepted Fidlar's Property Fraud Alert Service Agreement (the "Agreement"), attached hereto as Exhibit "A" and incorporated fully by reference, for the purchase of specified fraud alert services (the "Services"); and

WHEREAS, County desires that Fidlar provide Services as will be more specifically described in this Agreement; and

WHEREAS, the following changes are incorporated as if a part of the Agreement; and

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

AGREEMENT

1. **Term.** The term of the Agreement is effective as of the date of the last party's execution below and shall continue for a one (1) year term ("Initial Term"). At the end of the Initial Term, the parties, upon mutual agreement, shall have the option to renew this Agreement for three (3) additional one-year terms, with the terms and conditions remaining the same. The total period of the Agreement, including all terms, shall not exceed four (4) years.

Exercise of the renewal option is at the County's sole discretion and shall be conditioned, at a minimum, on Fidlar's performance of this Agreement and subject to the availability of funds. The County, if it desires to exercise its renewal option, will provide notice to Fidlar of its election to renew. This Agreement shall not automatically renew. The renewal term shall be considered separate and shall require exercise of the renewal option should the County choose to renew this Agreement. The County and Fidlar agree that termination shall be Fidlar's sole remedy if the County choose not to extend this Agreement for an additional one (1) year term.

2. **Scope of Services.** Subject to this Addendum, Fidlar will render Services to County as in Exhibit A.
3. **Consideration; Compensation; Taxes.** The parties acknowledge and agree that Services were

and will be supported by good and valuable consideration during the term of this Agreement, the sufficiency of which is acknowledged by the parties.

Fidlar will be compensated based on a fixed sum for the Services herein as set out in Exhibit A. Payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date the County receives the goods under the contract; (2) the date the performance of the service under the contract is completed; or (3) the date the Williamson County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by the County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of the County's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

The County is a political subdivision under the laws of the State of Texas and claims exemption for sales and use taxes. The County agrees to provide exemption certificates upon request.

4. **Limit of Appropriation.** Fidlar clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of Two Thousand, One Hundred Fifty and 00/100 dollars (\$2,150.00), specifically allocated to fully discharge any and all liabilities County may incur. Fidlar does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Fidlar may become entitled to and the total maximum sum that County may become liable to pay to Fidlar shall not under any conditions, circumstances, or interpretations thereof exceed Two Thousand, One Hundred Fifty and 00/100 dollars (\$2,150.00). In no event will the amount paid by the County for all Services under this Agreement exceed this Limit of Appropriation without an amendment executed by the parties.
5. **Public Information Act.** Fidlar expressly acknowledges that County is subject to the Texas Public Information Act, TEX. GOV'T CODE ANN. § 552.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, County will make any information related to the Agreement, or otherwise, available to third parties in accordance with the Texas Public Information Act. Any proprietary or confidential information marked as such provided to County by Fidlar shall not be disclosed to any third party, except as directed by the Texas Attorney General in response to a request for such under the Texas Public Information Act, which provides for notice to the owner of such marked information and the opportunity for the owner of such information to notify the Attorney General of the reasons why such information should not be disclosed. The terms and conditions of the Agreement are not proprietary or confidential information.
6. **Indemnity.** The parties agree that under the Constitution and laws of the State of Texas, County cannot enter into an agreement whereby County agrees to indemnify or hold harmless another party; therefore, all references of any kind to County defending, indemnifying, holding or

saving harmless Fidler for any reason are hereby deleted. Fidler shall indemnify and defend County against all losses, liabilities, claims, causes of action, and other expenses, including reasonable attorney's fees, arising from activities of Fidler, its agents, servants or employees, performed under this agreement that result from the negligent act, error, or omission of Fidler or any of Fidler's agents, servants or employees.

7. **Applicable; Arbitration; Attorney Fees.** The laws of the State of Texas govern all disputes arising out of or relating to this Agreement, the parties hereto acknowledge that venue is proper in Williamson County, Texas, for all legal actions or proceedings arising out of or relating to this Agreement and waive the right to sue or be sued elsewhere. Nothing in the Agreement shall be construed to waive the County's sovereign immunity. County does not agree to submit disputes arising out of the Agreement to binding arbitration. Therefore, any references to binding arbitration or the waiver of a right to litigate a dispute are hereby deleted. County does not agree to pay any and/or all attorney fees incurred by Fidler in any way associated with the Agreement.

9. **Modifications and Waivers.** The parties may not amend or waive this Agreement, except by a written agreement executed by both parties. No failure or delay in exercising any right or remedy or requiring the satisfaction of any condition under this Agreement, and no course of dealing between the parties, operates as a waiver or estoppel of any right, remedy, or condition. The rights and remedies of the parties set forth in this Agreement are not exclusive of, but are cumulative to, any rights or remedies now or subsequently existing at law, in equity, or by statute.
10. **Human Trafficking.** By acceptance of this Contract, Fidler acknowledges that Williamson County is opposed to human trafficking and that no County funds will be used in support of services or activities that violate human trafficking laws.
11. **Product Assurance.** Fidler represents and warrants that its hardware, software and any related systems and/or services related to its software and/or hardware (collectively, the "Product") furnished by Fidler to County will not infringe upon or violate any patent, copyright, trademark, trade secret, or any other proprietary right of any third party. Fidler will, at its expense, defend any suit brought against County and will indemnify County against an award of damages and costs (including reasonable attorney fees, court costs and appeals), made against County by settlement or final judgment of a court that is based on a claim that the use of Fidler's Product infringes an intellectual property right of a third party. Such defense and indemnity shall survive termination or expiration of the Agreement and Fidler's liability for the above is not limited by any limitation of liability clauses that may appear in any document executed by the parties.
12. **Performance Warranty.** Fidler warrants to County that Fidler has the skill and knowledge

ordinarily possessed by well-informed members of its trade or profession practicing in the greater Austin metropolitan area and Fidler will apply that skill and knowledge with care and diligence to ensure that the Services provided hereunder will be performed and delivered in accordance with the highest professional standards.

 - c. Any purported assignment of rights or delegation of performance in violation of this Section is void.
 - d. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the County.

Addendum A

PFA Value Provided to the Williamson County Clerk's Office

- Automatic notification system: Registered constituents receive an email or personal phone call (from Fidlar) each time a document is recorded in their name. The county does not have to worry about cards to mail or address lists to maintain.
- Flexible sign-up processes: Constituents can sign up via the PFA website or for those not comfortable doing so online or for those who do not have access to a computer; sign-up is available by calling the dedicated PFA toll-free number staffed by Fidlar.
- Notifications are sent out upon the recording of any document. Deeds are not the only damaging document that can be fraudulently filed or recorded. Powers of Attorney, satisfactions, etc., can also lead to fraudulent activity. PFA notifies the subscriber any time any document is recorded in the name registered with Fidlar.
- PFA is an opt-in notification system. Once subscribed, the constituent does not have to check in on a website for notification status. Email notifications are sent within 24 hours of the document being made available to Fidlar or the next business day, should the 24-hour period fall upon a weekend or holiday. Phone notifications are attempted within 48 regular business hours of the document being made available to Fidlar. When calling a subscriber with an alert notification, Fidlar will attempt the call twice (in consecutive days) and leave voicemails. If a return call is not received, Fidlar will make a third attempt one week after the first call was made. If no return call is made after the third attempt, the call will be closed.
- A customized PFA website has been created for the Clerk's office. The Clerk's office will have the right to select up to five (5) graphics to be used on the customized homepage.
- PFA requires no changes to existing recording workflow.
- No training required for county employees.
- PFA provides for customization of the email notification verbiage.
- The custom PFA website for the Clerk's will be managed by Fidlar.
- PFA provides an online administration tool for use within the Clerk's office for the purpose of monitoring subscription levels. Also available via the administration tool is the ability to access the current list of subscribers contact information as well as a list of notification alerts that have been sent.
- The call-center that provides live follow-up to PFA subscribers is fully maintained and staffed by Fidlar. This call-center is staffed from 7:00am - 8:00pm CST and is housed at our corporate office in Davenport, IA. This call center will handle the following calls
 - Incoming calls from constituents who wish to sign-up but are either hesitant to do so over the Internet or don't have a computer. Typically, this represents a more elderly demographic.
 - Incoming calls from subscribers who have received alerts and have questions. Historically, our attendants are able to answer incoming questions to the subscriber's satisfaction. However, in the event that a question remains that goes beyond our capabilities, it will be forwarded to the county office.
 - Outgoing calls providing alerts. Subscribers have the ability to receive alerts via email or phone. Those that opt to receive alerts via phone receive a call from one of our call center attendants. We will make three outgoing calls (and leave a personal message, if needed) to insure that we have ample opportunity to connect with the subscriber.
