

II.
WILLIAMSON COUNTY HEADQUARTERS PROPERTY DEVELOPMENT

2.01 Platting. A plat will not be required for the development of the Wilco HQ Property so long as the County ROW dedications provided for in Section 2.04 of this Agreement occur.

2.02 Zoning Regulations. The Wilco HQ Property is currently zoned PF (Public Facility) and the County shall develop in accordance with the regulations applicable to PF Zoning. The County has submitted a request for zoning variances to allow for a building height of up to 60 feet which was approved by the City's Zoning Board of Adjustment on November 21, 2023.

2.03 Permitting and Inspections. The County shall obtain all permits required by the City's adopted building and fire codes for development of the Wilco HQ Property. The City agrees to expedite its review of those permits and if applicable, expedite any required inspections. The County may accomplish all plan review requirements for code compliance of all adopted building and fire codes through a third-party professional engineering firm. The County may contract with a third-party inspector to perform required inspections related to building and fire inspections, subject to the City's approval of the selected inspector. All inspections and reviews provided by a third-party must be provided to the City as part of the required building and fire code permits.

2.04 County ROW Dedication. Within seven days of the Effective Date of this Agreement, the County shall dedicate to the City approximately 3.233 acres of Southwestern Blvd right-of-way and approximately 0.2252 acres of drainage easement, as further described in **Exhibit "E"**. Within 14 days of receiving the metes and bounds legal description and sketch from the City, the County shall additionally dedicate to the City approximately 0.67 acres of right-of-way adjacent to Inner Loop Road as further described in **Exhibit "F"** to facilitate the Southeast Inner Loop Project.

2.05 City ROW Dedication. Within seven days of the Effective Date of this Agreement, the City shall dedicate to the County approximately 4.0 acres of right-of-way located at the Mankins site, as further described in Exhibit "G" for the Corridor C project.

2.06 Easement Forms. All easements conveyed to the City must be in the form posted by the City on the City's website at <https://realestate.georgetown.org/>, which may be modified only with prior City Attorney approval. As to any easement in favor of the City for which there is no template or form posted on the City's website, the term "Approved Form" shall mean a document in the form pre-approved by the City Attorney.

III.
SOUTHWESTERN BLVD AND SOUTHEAST INNER LOOP PROJECTS

3.01 General. The City is currently designing and will construct the Southwestern Blvd Project for the expansion of Southwestern Blvd from Raintree Dr. to Southeast Inner Loop. The City shall be responsible for all the design and construction services associated with the Southwestern Blvd Project and shall include the County Improvements as further defined below in the scope of the Southwestern Blvd Project, subject to the County's ROW Dedication and a Three Million Dollar (\$3,000,000) contribution to the planning, design, and ROW acquisition phases of the Southeast Inner Loop Project (the "County Contribution"). The County Contribution does not impact the Williamson County's twenty-million dollar (\$20,000,000) commitment to the Southeast Inner Loop Project that was part of the 2023 road bond election. Subject to the Texas Prompt Payment Act, the County will remit the payment of the County Contribution

to the City within thirty (30) days after the City receives 60% design plans for the Southeast Inner Loop Project and submits an invoice to the County. The City shall commence or cause commencement of construction of the Southwestern Blvd Project no later than October 1, 2024, and the Southeast Inner Loop Project no later than December 31, 2026.

3.02 County Improvements. The City shall be responsible for the design and construction of the following County Improvements as part of its Southwestern Blvd Project and Southeast Inner Loop Project as conceptually shown on **Exhibit “H”** and described below:

1. One driveway from Southwestern Blvd into the Wilco HQ Property, also called Tracey Chambers Lane;
2. Right and left turn lanes from Southwestern Blvd into the Wilco HQ Property driveway;
3. A dedicated right turn lane from Southwestern Blvd to Southeast Inner Loop;
4. Traffic signal at the intersection of SE Inner Loop and Southwestern Blvd;
5. Water and wastewater utility extension along Southwestern Blvd and a water utility extension along Inner Loop Road at locations acceptable to the County; and
6. Expanded drainage improvements on Southwestern Blvd ROW to accommodate a portion of the stormwater currently traversing the Wilco HQ Property.

IV. DISPUTES

4.01 Material Breach; Notice and Opportunity to Cure.

(a) In the event that one Party believes that another Party has materially breached one of the provisions of this Agreement, the non-defaulting Party will make written demand to cure and give the defaulting Party up to 30 days to cure such material breach or, if the curative action cannot reasonably be completed within 30 days, the defaulting Party will commence the curative action within 30 days and thereafter diligently pursue the curative action to completion. Notwithstanding the foregoing, any matters specified in the default notice which may be cured solely by the payment of money must be cured within 10 days after receipt of the notice. This applicable time period must pass before the non-defaulting Party may initiate any remedies available to the non-defaulting party due to such breach.

(b) Any non-defaulting Party will mitigate direct or consequential damage arising from any breach or default to the extent reasonably possible under the circumstances.

(c) The Parties agree that they will negotiate in good faith to resolve any disputes and may engage in non-binding mediation, arbitration or other alternative dispute resolution methods as recommended by the laws of the State of Texas.

4.02 Equitable Relief. In recognition that failure in the performance of the Parties' respective obligations could not be adequately compensated in money damages alone, the Parties agrees that after providing notice and an opportunity to cure in accordance with Section 4.01 above, the Parties shall have the right to request any court, agency or other governmental authority of appropriate jurisdiction to grant any and all remedies which are appropriate to assure conformance to the provisions of this Agreement. The

defaulting Party shall be liable to the other for all costs actually incurred in pursuing such remedies, including reasonable attorney's fees, and for any penalties or fines as a result of the failure to comply with the terms including, without limitation, the right to obtain a writ of mandamus or an injunction requiring the governing body of the defaulting party to levy and collect rates and charges or other revenues sufficient to pay the amounts owed under this Agreement.

4.03 Agreement's Remedies Not Exclusive. The provisions of this Agreement providing remedies in the event of a Party's breach are not intended to be exclusive remedies. The Parties retain, except to the extent released or waived by the express terms of this Agreement, all rights at law and in equity to enforce the terms of this Agreement.

V. GENERAL PROVISIONS

5.01 Authority. This Agreement is made in part under the authority conferred in Chapter 791, *Texas Government Code*.

5.02 Term. This Agreement shall commence upon execution of this Agreement and shall end upon the completion of the Southwestern Boulevard Project and Southeast Inner Loop Project and acceptance of the public improvements by Georgetown.

5.03 Severability. The provisions of this Agreement are severable and, if any provision of this Agreement is held to be invalid for any reason by a court or agency of competent jurisdiction, the remainder of this Agreement will not be affected and this Agreement will be construed as if the invalid portion had never been contained herein.

5.05 Payments from Current Revenues. Any payments required to be made by a Party under this Agreement will be paid from current revenues or other funds lawfully available to the Party for such purpose.

5.06 Cooperation. The Parties agree to cooperate at all times in good faith to effectuate the purposes and intent of this Agreement.

5.07 Entire Agreement. This Agreement contains the entire agreement of the Parties regarding the subject matter hereof and supersedes all prior or contemporaneous understandings or representations, whether oral or written, regarding the subject matter and only relates to those portions of the Southwest Bypass Project and Southeast Inner Loop shown in the Exhibits attached hereto as Exhibits "A" through "H".

5.08 Amendments. Any amendment of this Agreement must be in writing and will be effective if signed by the authorized representatives of the Parties.

5.09 Applicable Law; Venue. This Agreement will be construed in accordance with Texas law. Venue for any action arising hereunder will be in Williamson County, Texas.

5.10 Notices. Any notices given under this Agreement will be effective if (i) forwarded to a Party by hand-delivery; (ii) transmitted to a Party by confirmed telecopy; or (iii) deposited with the U.S. Postal Service, postage prepaid, certified, to the address of the Party indicated below:

5.11 Counterparts; Effect of Partial Execution. This Agreement may be executed simultaneously in multiple counterparts, each of which will be deemed an original, but all of which will constitute the same instrument.

5.12 Authority. Each Party represents and warrants that it has the full right, power and authority to execute this Agreement.

5.13 No Joint Venture. This agreement does not contemplate the creation of any joint venture, partnership or similar business relationship between the Parties.

5.14 Effective Date. This Agreement is executed to be effective on the date the last Party signs this Agreement.
