ARTICLE 3 **ENVIRONMENTAL SERVICES**

Firm shall perform Environmental Services as identified in **Exhibit B** entitled “Environmental Services.”

County will prepare and issue Work Authorizations, in substantially the same form identified and attached hereto as **Exhibit C** and entitled “Work Authorization No. _____”, to authorize the Firm to perform one or more tasks of the Environmental Services. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, definite review times by County and Firm of all Environmental Services and a fee amount agreed upon by the County and Firm. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive the Firm’s responsibilities and obligations established in this Contract. The executed Work Authorizations shall become part of this Contract.

All work must be completed on or before the date specified in the Work Authorization. The Firm shall promptly notify the County of any event which will affect completion of the Work Authorization, although such notification shall not relieve the Firm from costs or liabilities resulting from delays in completion of the Work Authorization. Should the review times or Environmental Services take longer than shown on the Work Authorization, through no fault of Firm, Firm may submit a timely written request for additional time, which shall be subject to the approval of the County. Any changes in a Work Authorization shall be enacted by a written Supplemental Work Authorization before additional costs may be incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization.

ARTICLE 4 **CONTRACT TERM**

A. Term. The Firm is expected to complete the Environmental Services described herein in accordance with the above-described Work Authorizations or any Supplemental Work Authorization related thereto. If Firm does not perform the Environmental Services in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall have the right to terminate this Contract as set forth below in Article 20. So long

as the County elects not to terminate this Contract, it shall continue from day to day until such time as the Environmental Services are completed in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto. Any Environmental Services performed or costs incurred after the date of termination shall not be eligible for reimbursement. Firm shall notify County in writing as soon as possible if he/she/it determines, or reasonably anticipates, that the Environmental Services will not be completed on or before the date specified in the Work Authorization or any Supplemental Work Authorization and in full accordance with the terms of the applicable Work Authorization or any Supplemental Work Authorization.

B. Work Authorizations. Firm acknowledges that each Work Authorization is of critical importance, and agrees to undertake all reasonably necessary efforts to expedite the performance of Environmental Services required herein so that construction of the Project will be commenced and completed as scheduled. In this regard, and subject to adjustments in a particular Work Authorization, as provided in Article 3 herein, Firm shall proceed with sufficient qualified personnel and consultants necessary to fully and timely accomplish all Environmental Services required under this Contract in a professional manner.

C. Commencement of Environmental Services. After execution of this Contract, Firm shall not proceed with Environmental Services until Firm has been thoroughly briefed on the scope of the Project and has received an executed Work Authorization, which serves as the County's written notice to proceed, as provided in Article 8.

ARTICLE 5

COMPENSATION AND EXPENSES

County shall pay and Firm agrees to accept up to the amount shown below as full compensation for the Environmental Services performed and to be performed under this Contract. The basis of compensation for the services of principals and employees engaged in the performance of the Environmental Services shall be based on the Rate Schedule set forth in the attached **Exhibit D**.

The maximum amount payable under this Contract, without modification, is **Five-Hundred Thousand Dollars (\$500,000.00)** (the "Compensation Cap"), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the Compensation Cap. The Compensation Cap shall be revised equitably only by written Contract Amendments executed by both parties in the event of a change the overall scope of the Environmental Services set forth in **Exhibit B**, as authorized by County. CAE

The Compensation Cap is based upon all labor and non-labor costs estimated to be required in the performance of the Environmental Services provided for under this Contract. Should the actual costs of all labor and non-labor costs rendered under this Contract be less than the above stated Compensation Cap, then Firm shall receive compensation for only actual fees and costs of the Environmental Services actually rendered and incurred, which may be less than the above stated Compensation Cap.

The Compensation Cap herein referenced may be adjusted for Additional Environmental Services requested and performed only if mutually approved by a written Contract Amendment signed by both parties.

Firm shall prepare and submit to County monthly progress reports in sufficient detail to support the progress of the Environmental Services and to support invoices requesting monthly payment. The format for such monthly progress reports and invoices must be in a format acceptable to County. Satisfactory progress of Environmental Services shall be an absolute condition of payment.

Firm shall be reimbursed for actual non-labor and subcontract expenses incurred in the performance of the services under this Contract in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit E**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Firm without mark-up.

ARTICLE 6 **METHOD OF PAYMENT**

Payments to Firm shall be made while Environmental Services are in progress. Firm shall prepare and submit to the County's Road Bond Program Manager, as identified herein-below, not more frequently than once per month, a progress report as referenced in Article 5 above. Such progress report shall state the percentage of completion of Environmental Services accomplished for an applicable Work Authorization or any Supplemental Work Authorization related thereto during that billing period and to date. This submittal shall also include a progress assessment report in a form acceptable to the County Auditor.

Simultaneous with submission of each progress report, Firm shall provide the following documentation through the County's Road Bond Program Manager in a form acceptable to the County Auditor ("Invoice Package"):

- (1) One (1) original certified invoice to the County ; and
- (2) One (1) original complete packet of supporting documentation and time sheets detailing hours worked by staff persons with a description of the work performed by such persons, their work category, and approved billing rates as set forth in Exhibit B – Rate Schedule as part of this Contract.

For Additional Environmental Services performed pursuant to this Contract, a separate invoice or itemization of the Additional Environmental Services must be presented with the same aforementioned requirements.

Payments shall be made by County based upon Environmental Services actually provided and performed. **Upon timely receipt of a complete Invoice Package and approval thereof,**

County shall make a good faith effort to pay the amount which is due and payable within thirty (30) days of the County Auditor's receipt. **Failure to submit a Complete Invoice Package may delay payments.** County reserves the right to reasonably withhold payment pending verification of satisfactory Environmental Services performed. Firm has the responsibility to submit proof to County, adequate and sufficient in its determination, that tasks of an applicable Work Authorization or any Supplemental Work Authorization related thereto were completed.

The certified invoices shall show the total amount earned to the date of submission and shall show the amount due and payable as of the date of the current invoice. Final payment does not relieve Firm of the responsibility of correcting any errors and/or omissions resulting from its negligence.

Upon submittal of the initial invoice, Firm shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

ARTICLE 7

PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Firm will be made within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which the County Auditor receives a correct invoice for services, whichever is later.

Firm may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, the Firm's ability to charge a late fee shall not apply in the event:

- A. There is a bona fide dispute between County and Firm concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or
- B. The terms of a federal contract, grant, regulation, or statute prevent County from making a timely payment with federal funds; or
- C. There is a bona fide dispute between Firm and a subcontractor/subconsultant or between a subcontractor/subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Environmental Services performed which causes the payment to be late; or
- D. Firm's failure to submit a Complete Invoice Package in accordance with the requirements of this Contract; or
- E. The Complete Invoice Package is not submitted to the County's Road Bond Program Manager in strict accordance with any necessary instructions or requests provided by the Road Bond Program Manager.

The County Auditor shall document to Firm the issues related to disputed invoices within ten (10) calendar days of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of Chapter 2251, V.T.C.A., Texas Government Code.

ARTICLE 8

The County shall not be responsible for work performed or costs incurred by Firm related to any task for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties. At the request of County or Firm, conferences shall be provided at Firm's office, the offices of County, or at other locations designated by County. When requested by County, such conferences shall also include evaluation of the Environmental Services. County may, from time to time, require Firm to appear and provide information to the Williamson County Commissioners Court.

Should County determine that the progress in Environmental Services does not satisfy an applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall review same with Firm to determine corrective action required.

Firm shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Environmental Services, including but not limited to the following:

- A.** Problems, delays, adverse conditions which may materially affect the ability to meet the objectives of an applicable Work Authorization or any Supplemental Work Authorization related thereto, or preclude the attainment of Project Environmental Services units by established time periods; and such disclosure shall be accompanied by statement of actions taken or contemplated, and County assistance needed to resolve the situation, if any; and
- B.** Favorable developments or events which enable meeting goals sooner than anticipated in relation to an applicable Work Authorization's or any Supplemental Work Authorization

ARTICLE 11
SUSPENSION

Should County desire to suspend the Environmental Services, but not to terminate this Contract, then such suspension may be effected by County giving Firm thirty (30) calendar days' verbal notification followed by written confirmation to that effect. Such thirty-day notice may be waived in writing by agreement and signature of both parties. The Environmental Services may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from County to resume the Environmental Services. Such sixty-day (60) notice may be waived in writing by agreement and signature of both parties. If this Contract is suspended for more than thirty (30) days, Firm shall have the option of terminating this Contract and, in the event, Firm shall be compensated for all Environmental Services performed and reimbursable expenses incurred, provided such Environmental Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

If County suspends the Environmental Services, the contract period as determined in Article 4, and the Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

County assumes no liability for Environmental Services performed or costs incurred prior to the date authorized by County for Firm to begin Environmental Services, and/or during periods when Environmental Services is suspended, and/or subsequent to the completion date.

ARTICLE 12
ADDITIONAL ENVIRONMENTAL SERVICES

If Firm forms a reasonable opinion that any work he/she/it has been directed to perform is beyond the overall scope of this Contract, as set forth in **Exhibit B**, and as such constitutes extra work ("Additional Environmental Services"), he/she/it shall promptly notify County in writing through the County's Designated Representative. In the event County finds that such work does constitute Additional Environmental Services, County shall so advise Firm and a written Contract Amendment will be executed between the parties as provided in Article 14. Any increase to the Compensation Cap due to Additional Environmental Services must be set forth in such Contract Amendment. Firm shall not perform any proposed Additional Environmental Services nor incur any additional costs prior to the execution, by both parties, of a written Contract Amendment. Following the execution of a Contract Amendment that provides for Additional Environmental Services, a written Work Authorization, which sets forth the Additional Environmental Services to be performed, must be executed by the parties. County shall not be responsible for actions by Firm nor for any costs incurred by Firm relating to Additional Environmental Services not directly associated with the performance of the Environmental Services authorized in this Contract, by a fully executed Work Authorization or a fully executed Contract Amendment thereto.

ARTICLE 13
CHANGES IN COMPLETED ENVIRONMENTAL SERVICES

If County deems it necessary to request changes to previously satisfactorily completed Environmental Services or parts thereof which involve changes to the original Environmental Services or character of Environmental Services under this Contract, then Firm shall make such revisions as requested and as directed by County. Such revisions shall be considered as Additional Environmental Services and paid for as specified under Article 12.

Firm shall make revisions to Environmental Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. No additional compensation shall be due for such Environmental Services.

ARTICLE 14 **CONTRACT AMENDMENTS**

The terms set out in this Contract may be modified by a written fully executed Contract Amendment. Changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization. To the extent that such changes or modifications to a Work Authorization do not also require modifications to the terms of this Contract (i.e. changes to the overall scope of Environmental Services set forth in **Exhibit B**, modification of the Compensation Cap, etc.) a Contract Amendment will not be required.

ARTICLE 15 **USE OF DOCUMENTS**

All documents, including but not limited to data or programs stored electronically, (hereinafter referred to as “Work Products”) prepared by Firm and its subcontractors/subconsultants are related exclusively to the services described in this Contract and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of Work Products under this Contract shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County, without written verification or adaptation by Firm for the specific purpose intended, shall be at County’s sole risk and without liability to Firm.

By execution of this Contract and in confirmation of the fee for services to be paid under this Contract, Firm hereby conveys, transfers and assigns to County all rights under the Federal Copyright Act of 1976 (or any successor copyright statute), as amended, all common law copyrights and all other intellectual property rights acknowledged by law in the Work Products developed under this Contract. Copies may be retained by Firm. Firm shall be liable to County for any loss or damage to any such documents while they are in the possession of or while being worked upon by Firm or anyone connected with Firm, including agents, employees, Firms or subcontractors/subconsultants. All documents so lost or damaged shall be replaced or restored by Firm without cost to County.

Upon execution of this Contract, Firm grants to County permission to reproduce Firm’s work and documents for purposes of constructing, using and maintaining the Project, provided that County shall comply with its obligations, including prompt payment of all sums

when due, under this Contract. Firm shall obtain similar permission from Firm's subcontractors/subconsultants consistent with this Contract. If and upon the date Firm is adjudged in default of this Contract, County is permitted to authorize other similarly credentialed professionals to reproduce and, where permitted by law, to make changes, corrections or additions to the work and documents for the purposes of completing, using and maintaining the Project.

County shall not assign, delegate, sublicense, pledge or otherwise transfer any permission granted herein to another party without the prior written consent of Firm. However, County shall be permitted to authorize the contractor, subcontractors and material or equipment suppliers to reproduce applicable portions of the Work Products appropriate to and for use in the execution of the Work. Submission or distribution of Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of the Work Products shall be at County's sole risk and without liability to Firm and its Firms.

The parties shall mutually agree to an electronic format for Environmental Work Products or other data, including any special limitations not otherwise provided in this Contract, prior to any such Environmental Work Products or data being submitted electronically by either party to the other party. Upon such agreement between the parties, Environmental Work Products or other data provided in the agreed upon electronic format may be relied upon by the receiving party. In the event the parties cannot agree on an acceptable electronic format, only printed copies of documents conveyed by a party shall be relied upon by the receiving party.

Firm shall have no liability for changes made to the Work Products by other Firms subsequent to the completion of the Project. Any such change shall be sealed by the Firm making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 16
PERSONNEL, EQUIPMENT AND MATERIAL

Firm shall furnish and maintain, at its own expense, quarters for the performance of all Environmental Services, and adequate and sufficient personnel and equipment to perform the Environmental Services as required. All employees of Firm shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Firm who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Environmental Services shall immediately be removed from association with the Project when so instructed by County. Firm certifies that it presently has adequate qualified personnel in its employment for performance of the Environmental Services required under this Contract, or will obtain such personnel from sources other than County. Firm may not change the Project Manager without prior written consent of County.

ARTICLE 17
SUBCONTRACTING

Firm shall not assign, subcontract or transfer any portion of the Environmental Services under this Contract without prior written approval from County. All subcontracts shall include the provisions required in this Contract. No subcontract shall relieve Firm of any responsibilities under this Contract.

ARTICLE 18
REVIEW OF ENVIRONMENTAL SERVICES

Firm's Environmental Services will be reviewed by County under its applicable technical requirements and procedures.

A. Completion. All documents shall be submitted by Firm on or before the dates specified in the applicable Work Authorization or Supplemental Work Authorization related thereto. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in the applicable Work Authorization, have been included in compliance with the requirements of this Contract. The completeness of any Environmental Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify Firm in writing within such thirty (30) day period if such Environmental Services have been found to be incomplete. If the submission is Complete, County shall notify Firm and County's technical review process will begin.

If the submission is not Complete, County shall notify Firm, who shall perform such professional services as are required to complete the Environmental Services and resubmit it to County. This process shall be repeated until a submission is Complete.

B. Acceptance. County shall review the completed Environmental Services for compliance with this Contract. If necessary, the completed Environmental Services shall be returned to Firm, who shall perform any required Environmental Services and resubmit it to County. This process shall be repeated until the Environmental Services are Accepted. "Acceptance" or "Accepted" shall mean that in the County's reasonable opinion, substantial compliance with the requirements of this Contract has been achieved.

C. Final Approval. After Acceptance, Firm shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by the County. "Final Approval" in this sense shall mean formal recognition that the Environmental Services have been fully carried out.

D. Errors and Omissions. After Final Approval, Firm shall, without additional compensation, perform any work required as a result of Firm's development of the work which is found to be in error or omission due to Firm's negligence. However, any work required or occasioned for the convenience of County after Final Approval shall be paid for as Additional Environmental Services.

E. Disputes Over Classifications. In the event of any dispute over the classification of Firm's Environmental Services as Complete, Accepted, or having attained Final Approved

under this Contract, the decision of the County shall be final and binding on Firm, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

F. County's Reliance on Firm. FIRM'S DUTIES AS SET FORTH HEREIN SHALL AT NO TIME BE IN ANY WAY DIMINISHED BY REASON OF ANY REVIEW, EVALUATION OR APPROVAL BY THE COUNTY OR ITS AUTHORIZED REPRESENTATIVE NOR SHALL THE FIRM BE RELEASED FROM ANY LIABILITY BY REASON OF SUCH REVIEW, EVALUATION OR APPROVAL BY THE COUNTY, IT BEING UNDERSTOOD THAT THE COUNTY AT ALL TIMES IS ULTIMATELY RELYING UPON THE FIRM'S SKILL, ABILITY AND KNOWLEDGE IN PERFORMING THE ENVIRONMENTAL SERVICES REQUIRED HEREUNDER.

ARTICLE 19

VIOLATION OF CONTRACT TERMS/BREACH OF CONTRACT

Violation of contract terms or breach of contract by Firm shall be grounds for termination of this Contract, and any increased costs arising from Firm's default, breach of contract, or violation of contract terms shall be paid by Firm.

ARTICLE 20

TERMINATION

This Contract may be terminated as set forth below.

- A.** By mutual agreement and consent, in writing, of both parties.
- B.** By County, by notice in writing to Firm, as a consequence of failure by Firm to perform the Environmental Services set forth herein in a satisfactory manner.
- C.** By either party, upon the failure of the other party to fulfill its obligations as set forth herein.

In determining the value of the Environmental Services performed by Firm prior to termination, County shall be the sole judge. Compensation for Environmental Services at termination will be based on a percentage of the Environmental Services completed at that time. Should County terminate this Contract under Subsection (D) immediately above, then the amount charged during the thirty-day notice period shall not exceed the amount charged during the preceding thirty (30) days.

If Firm defaults in the performance of this Contract or if County terminates this Contract for fault on the part of Firm, then County shall give consideration to the actual costs incurred by

Firm in performing the Environmental Services to the date of default, the amount of Environmental Services required which was satisfactorily completed to date of default, the value of the Environmental Services which are usable to County, the cost to County of employing another firm to complete the Environmental Services required and the time required to do so, and other factors which affect the value to County of the Environmental Services performed at the time of default.

The termination of this Contract and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Contract. If the termination of this Contract is due to the failure of Firm to fulfill its contractual obligations, then County may take over the Project and prosecute the Environmental Services to completion. In such case, Firm shall be liable to County for any additional and reasonable costs incurred by County.

Firm shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by Firm in support of the Environmental Services under this Contract.

ARTICLE 21 **COMPLIANCE WITH LAWS**

A. Compliance. Firm shall comply with all applicable federal, state and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any court, or administrative bodies or tribunals in any manner affecting the performance of this Contract, including without limitation, minimum/maximum salary and wage statutes and regulations, and licensing laws and regulations. Firm shall furnish County with satisfactory proof of its compliance.

Firm shall further obtain all permits and licenses required in the performance of the Environmental Services contracted for herein.

THE TERMS AND CONDITIONS CONTAINED IN THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND/OR CONTRACT DOCUMENTS OR THE SUSPENSION OF THE WORK HEREUNDER. TO THE EXTENT THAT ANY LIABILITIES, PENALTIES, DEMANDS, CLAIMS, LAWSUITS, LOSSES, DAMAGES, COSTS AND EXPENSES ARE CAUSED IN PART BY THE ACTS OF THE COUNTY OR THIRD PARTIES FOR WHOM FIRM IS NOT LEGALLY LIABLE, FIRM'S OBLIGATIONS SHALL BE IN PROPORTION TO FIRM'S FAULT. THE OBLIGATIONS HEREIN SHALL ALSO EXTEND TO ANY ACTIONS BY THE COUNTY TO ENFORCE THIS INDEMNITY OBLIGATION.

IN THE EVENT THAT CONTRACTORS INITIATE LITIGATION AGAINST THE COUNTY IN WHICH THE CONTRACTOR ALLEGES DAMAGES AS A RESULT OF ANY NEGLIGENT ACTS, ERRORS OR OMISSIONS OF FIRM, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH FIRM EXERCISES CONTROL, INCLUDING, BUT NOT LIMITED TO, DEFECTS, ERRORS, OR OMISSIONS, THEN THE COUNTY SHALL HAVE THE RIGHT TO JOIN FIRM IN ANY SUCH PROCEEDINGS AT THE COUNTY'S COST. FIRM SHALL ALSO HOLD THE COUNTY HARMLESS AND INDEMNIFY THE COUNTY TO THE EXTENT THAT FIRM, ANY OF ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH FIRM EXERCISES CONTROL, CAUSED SUCH DAMAGES TO CONTRACTOR, INCLUDING ANY AND ALL COSTS AND ATTORNEYS' FEES INCURRED BY THE COUNTY IN CONNECTION WITH THE DEFENSE OF ANY CLAIMS WHERE FIRM, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR

SUPPLIERS, OR OTHER ENTITIES OVER WHICH FIRM EXERCISES CONTROL, ARE ADJUDICATED AT FAULT.

TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES RESULTING IN ANY WAY FROM THIS AGREEMENT.

ARTICLE 23
FIRM'S RESPONSIBILITIES

Firm shall be responsible for the accuracy of its Environmental Services and shall promptly make necessary revisions or corrections to its work product resulting from errors, omissions, or negligent acts, and same shall be done without compensation. County shall determine Firm's responsibilities for all questions arising from errors and/or omissions, subject to the dispute resolution provisions of Article 33. Firm shall not be relieved of responsibility for subsequent correction of any such errors or omissions in its work product, or for clarification of any ambiguities until after the construction phase of the Project has been completed.

ARTICLE 24
FIRM'S SEAL

To the extent required by any applicable laws, acts, rules or regulations pertaining to the types of professional services to be provided by Firm under this Contract, the Firm shall sign, seal and date all appropriate submissions to County.

ARTICLE 25
INSURANCE

Firm must comply with the following insurance requirements at all times during this Contract:

A. Coverage Limits. Firm, at Firm's sole cost, shall purchase and maintain during the entire term while this Contract is in effect the following insurance:

1. Worker's Compensation in accordance with statutory requirements.
2. Commercial General Liability Insurance with a combined minimum Bodily Injury and Property Damage limits of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate.
3. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with combined minimum limits for Bodily Injury and Property Damage of \$1,000,000.00 each accident.
4. Professional Liability Insurance in the amount of \$2,000,000.00 per claim and annual aggregate.

B. Additional Insureds; Waiver of Subrogation. **“Williamson County, Texas, its directors, officers and employees”** shall be added as additional insureds under policies listed under (2) and (3) above, and on those policies where “Williamson County, Texas, its directors,

officers and employees” are additional insureds, such insurance shall be primary and any insurance maintained by County shall be excess and not contribute with it. Such policies shall also include waivers of subrogation in favor of County.

C. Premiums and Deductible. Firm shall be responsible for payment of premiums for all of the insurance coverages required under this section. Firm further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Firm is responsible hereunder, Firm shall be solely responsible for all deductibles and self-insured retentions. Any deductibles or self-insured retentions over \$200,000 in the Firm’s insurance must be declared and approved in writing by County in advance.

D. Commencement of Work. Firm shall not commence any field work under this Contract until he/she/it has obtained all required insurance and such insurance has been approved by County. As further set out below, Firm shall not allow any subcontractor/subconsultant(s) to commence work to be performed in connection with this Contract until all required insurance has been obtained and approved and such approval shall not be unreasonably withheld. Approval of the insurance by County shall not relieve or decrease the liability of Firm hereunder.

E. Insurance Company Rating. The required insurance must be written by a company approved to do business in the State or Texas with a financial standing of at least an A-rating, as reflected in Best’s insurance ratings or by a similar rating system recognized within the insurance industry at the time the policy is issued.

F. Certification of Coverage. Firm shall furnish County with a certification of coverage issued by the insurer. Firm shall not cause any insurance to be canceled nor permit any insurance to lapse. **In addition to any other notification requires set forth hereunder, Firm shall also notify County, within twenty-four (24) hours of receipt, of any notices of expiration, cancellation, non-renewal, or material change in coverage it receives from its insurer.**

G. No Arbitration. It is the intention of the County and agreed to and hereby acknowledged by the Firm, that no provision of this Contract shall be construed to require the County to submit to mandatory arbitration in the settlement of any claim, cause of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder or as may be required by law or a court of law with jurisdiction over the provisions of this Contract.

H. Subcontractor/Subconsultant’s Insurance. Without limiting any of the other obligations or liabilities of Firm, Firm shall require each subcontractor/subconsultant performing work under this Contract (to the extent a subcontractor/subconsultant is allowed by County) to maintain during the term of this Contract, at the subcontractor/subconsultant’s own expense, the same stipulated minimum insurance required in this Article above, including the required provisions and additional policy conditions as shown below in this Article. Any requests for consent to reduce any insurance coverage limits requirements for Firm’s subcontractors/subconsultants must be provided to County in writing and must set forth reasoning and justifications for decreasing such coverage limits. County may, at its sole discretion, consent to a reduction in the insurance coverage limits requirements for Firm’s

subcontractors/subconsultants; provided, however, consent by County must be in writing and such consent shall not relieve or decrease the liability of Firm hereunder.

Firm shall obtain and monitor the certificates of insurance from each subcontractor/subconsultant in order to assure compliance with the insurance requirements. Firm must retain the certificates of insurance for the duration of this Contract, and shall have the responsibility of enforcing these insurance requirements among its subcontractor/subconsultants. County shall be entitled, upon request and without expense, to receive copies of these certificates of insurance.

I. Insurance Policy Endorsements. Each insurance policy shall include the following conditions by endorsement to the policy:

1. County shall be notified thirty (30) days prior to the expiration, cancellation, non-renewal or any material change in coverage, and such notice thereof shall be given to County by certified mail and by email to:

Williamson County, Texas

2. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by County, to any such future coverage, or to County's Self-Insured Retentions of whatever nature.

J. Cost of Insurance. The cost of all insurance required herein to be secured and maintained by Firm shall be borne solely by Firm, with certificates of insurance evidencing such minimum coverage in force to be filed with County. Such Certificates of Insurance are evidenced as **Exhibit F** herein entitled "Certificates of Insurance."

ARTICLE 26
COPYRIGHTS

County shall have the royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any reports developed by Firm for governmental purposes.

ARTICLE 27
SUCCESSORS AND ASSIGNS

This Contract shall be binding upon and inure to the benefit of the parties hereto, their successors, lawful assigns, and legal representatives. Firm may not assign, sublet or transfer any interest in this Contract, in whole or in part, by operation of law or otherwise, without obtaining the prior written consent of County.

ARTICLE 28
SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

ARTICLE 29
PRIOR AGREEMENTS SUPERSEDED

This Contract constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Contract may only be amended or supplemented by mutual agreement of the parties hereto in writing.

ARTICLE 30
FIRM'S ACCOUNTING RECORDS

Firm agrees to maintain, for a period of three (3) years after final payment under this Contract, detailed records identifying each individual performing the Environmental Services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, records of reimbursable costs and expenses of other providers and provide such other details as may be requested by the County Auditor for verification purposes. Firm agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Firm which are directly pertinent to the services to be performed under this Contract for the purposes of making audits, examinations, excerpts, and transcriptions. Firm further agrees that County shall have access during normal working hours to all necessary Firm facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. County shall give Firm reasonable advance notice of intended audits.

ARTICLE 32
GENERAL PROVISIONS

A. Time is of the Essence. Subject to Article 3 hereof, Firm understands and agrees that time is of the essence and that any failure of Firm to complete the Environmental Services for each phase of this Contract within the agreed work schedule set out in the applicable Work Authorization may constitute a material breach of this Contract. Firm shall be fully responsible for its delays or for failures to use its reasonable efforts in accordance with the terms of this Contract and the Firm's standard of performance as defined herein. Where damage is caused to County due to Firm's negligent failure to perform County may accordingly withhold, to the extent of such damage, Firm's payments hereunder without waiver of any of County's additional legal rights or remedies.

B. Force Majeure. Neither County nor Firm shall be deemed in violation of this Contract if prevented from performing any of their obligations hereunder by reasons for which they are not responsible or circumstances beyond their control. However, notice of such impediment or delay in performance must be timely given, and all reasonable efforts undertaken to mitigate its effects.

C. Enforcement and Venue. This Contract shall be enforceable in Georgetown, Williamson County, Texas, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Williamson County, Texas. This Contract shall be governed by and construed in accordance with the laws and court decisions of the State of Texas excluding, however, its choice of law rules.

D. Standard of Performance. The standard of care for all professional, consulting and related services performed or furnished by Firm and its employees under this Contract will be the care and skill ordinarily used by members of Firm's profession practicing under the same or similar circumstances at the same time and in the same locality.

E. Opinion of Probable Cost. Any opinions of probable Project cost or probable construction cost provided by Firm are made on the basis of information available to Firm and on the basis of Firm's experience and qualifications and represents its judgment as an experienced and qualified professional Firm. However, since Firm has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s') methods of determining prices, or over competitive bidding or market conditions, Firm does not guarantee that proposals, bids or actual Project or construction cost will not vary from opinions of probable cost Firm prepares.

F. Opinions and Determinations. Where the terms of this Contract provide for action to be based upon opinion, judgment, approval, review, or determination of either party hereto, such terms are not intended to be and shall never be construed as permitting such opinion, judgment, approval, review, or determination to be arbitrary, capricious, or unreasonable.

G. Reports of Accidents. Within 24 hours after Firm becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Firm), whether or not it results from or involves any action or failure to act by the Firm or any employee or agent of the Firm and which arises in any manner from the performance of this Contract, the Firm shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Firm shall also immediately send the County a copy of any summons, subpoena, notice, or other documents served upon the Firm, its agents, employees, or representatives, or received by it or them, in connection with any matter before any court arising in any manner from the Firm's performance of work under this Contract.

H. Gender, Number and Headings. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. The headings and section numbers are for convenience only and shall not be considered in interpreting or construing this Contract.

I. Construction. Each party hereto acknowledges that it and its counsel have reviewed this Contract and that the normal rules of construction are not applicable and there will be no presumption that any ambiguities will be resolved against the drafting party in the interpretation of this Contract.

J. Independent Contractor Relationship. Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

K. No Waiver of Immunities. Nothing in this Contract shall be deemed to waive, modify or amend any legal defense available at law or in equity to County, its past or present officers, employees, or agents or employees, nor to create any legal rights or claim on behalf of any third party. County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

L. Texas Public Information Act. To the extent, if any, that any provision in this Contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to County as to whether or not the same are available to the public. It is further understood that County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

M. Governing Terms and Conditions. If there is an irreconcilable conflict between the terms and conditions set forth in this Contract or any Contract Amendment and the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract, the terms and conditions set forth in this Contract or any Contract Amendment shall control over the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract.

N. Meaning of Day. For purposes of this Contract, all references to a "day" or "days" shall mean a calendar day or calendar days.

O. Appropriation of Funds by County. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Contract. Firm understands and agrees that County's payment of amounts under this Contract is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Firm that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not

appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Firm.

ARTICLE 33
DISPUTE RESOLUTION

Except as otherwise specifically set forth herein, County and Firm shall work together in good faith to resolve any controversy, dispute or claim between them which arises out of or relates to this Contract, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within thirty (30) days following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Contract, shall be selected by agreement of the parties and serve as the mediator. Any mediation under this Contract shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of the Contract.

ARTICLE 34
EQUAL OPPORTUNITY IN EMPLOYMENT

During the performance of this Contract and to the extent the Project is a federally funded project, Firm, for itself, its assignees and successors in interest agrees as follows:

A. Compliance with Regulations. The Firm shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

B. Nondiscrimination. The Firm, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors/subconsultants, including procurements of materials and leases of equipment. The Firm shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

C. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Firm for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor/subconsultant or supplier shall be notified by the Firm of the Firm's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

D. Information and Reports. The Firm shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County (referred to in this Article as the “Recipient”) or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the Firm shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance. In the event of the Firm's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

1. withholding of payments to the Firm under the contract until the Firm complies, and/or;
2. cancellation, termination or suspension of the Contract, in whole or in part.

F. Incorporation of Provisions. The Firm shall include the provisions of Subsections (A) through (F) above in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Firm shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor/subconsultant or supplier as a result of such direction, the Firm may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the Firm may request the United States to enter into such litigation to protect the interests of the United States.

RATE SCHEDULE

CPI Rate Adjustments: Rates shall remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates." Firm may request rate adjustments, in writing, at least thirty (30) days prior to each annual anniversary date of the Contract. Upon County's receipt of a rate adjustment request, County will prepare a Contract Amendment setting forth the CPI rate adjustments and will provide such Contract Amendment to Firm for its execution. Rate adjustments will take effect on the later of (1) one year after the Contract execution date or (2) the first (1st) day following the parties' complete execution of a Contract Amendment. Such rates shall remain in effect until the later of (1) the next annual anniversary date of the Contract; or (2) the date of the parties' complete execution of a new Contract Amendment that set forth adjustments to the prior rates. Any new rate adjustments will not become effective until a Contract Amendment is fully executed by the parties and no retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Agreement was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

EXHIBIT E

Williamson County Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy (“Policy”) is to provide clear guidelines to vendors on Williamson County’s expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with the County.

1. Invoices and Affidavits

- 1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e., reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of the County shall control as to the required actions of vendor and when such invoice must be paid by the County.
- 1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.
- 1.3 Upon County’s request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

- 2.1 The County will only cover costs associated with travel for vendors outside a 45-mile radius from the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626.

- 2.2 The County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for the County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.
- 2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.
- 2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e., vendor should not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.
