General Instructions

Section references are to the Internal Revenue Code unless otherwise noted

Purpose of Form

Form 8038-GC is used by the issuers of tax-exempt governmental obligations to provide the IRS with the information required by section 149(e) and to monitor the requirements of sections 141 through 150.

Who Must File

Issuers of tax-exempt governmental obligations with issue prices of less than \$100,000 must file Form 8038-GC. Issuers of a tax-exempt governmental obligation with an issue price of \$100,000 or more must file Form 8038-G, Information Return for Tax-Exempt Governmental Bonds.

Filing a separate return for a single issue.

Issuers have the option to file a separate Form 8038-GC for any tax-exempt governmental obligation with an issue price of less than \$100,000.

An issuer of a tax-exempt bond used to finance construction expenditures must file a separate Form 8038-GC for each issue to give notice to the IRS that an election was made to

pay a penalty in lieu of arbitrage rebate. See the instructions for line 11, later.

Filing a consolidated return for multiple issues. For all tax-exempt governmental obligations with issue prices of less than \$100,000 that are not reported on a separate Form 8038-GC, an issuer must file a consolidated information return including all such issues issued within the calendar year.

Thus, an issuer may file a separate Form 8038-GC for each of a number of small issues and report the remainder of small issues issued during the calendar year on one consolidated Form 8038-GC. However, if the issue is a construction issue, a separate Form 8038-GC must be filed to give the IRS notice of the election to pay a penalty in lieu of arbitrage rebate.
