If the equipment listed above is replacing your current meter, your current meter will be taken out of service once this lease commences.

**Your Signature Below**

Non-Appropriations. You warrant that you have funds available to make all payments until the end of your current fiscal period, and shall use your best efforts to obtain funds to make all payments in each subsequent fiscal period through the end of your Lease Term. If your appropriation request to your legislative body, or funding authority ("Governing Body") for funds to make the payments is denied, you may terminate this Lease on the last day of the fiscal period for which funds have been appropriated, upon (i) submission of documentation reasonably satisfactory to us evidencing the Governing Body's denial of an appropriation sufficient to continue this Lease for the next succeeding fiscal period, and (ii) satisfaction of all charges and obligations under this Lease incurred through the end of the fiscal period for which funds have been appropriated, including the return of the equipment at your expense.

By signing below, you agree to be bound by all the terms and conditions of your State's/Entity's/Cooperative's contract, including the Pitney Bowes Terms, which are available at <http://www.pb.com/states> and are incorporated by reference (collectively, this "Agreement"). The terms and conditions of this Agreement will govern this transaction and be binding on us after we have completed our credit and documentation approvals process and have signed below. The lease requires you either provide proof of insurance or participate in the ValueMAX® equipment protection program (see Section L9 of the Pitney Bowes Terms) for an additional fee. If software is included in the Order, additional terms apply which are available by clicking on the hyperlink for that software located at <http://www.pitneybowes.com/us/license-terms-of-use/software-and-subscription-terms-and-conditions.html>. Those additional terms are incorporated by reference.
