(1) The Property may be used, improved and maintained solely for public roadway purposes legally authorized under Texas law, including specifically construction and maintenance of County Road 278/279 right of way and related drainage improvements and public utilities therein (the "CR 279 Improvements"). In the event that Grantee abandons use of the Property for public roadway purposes after construction of the CR 279 Improvements, Grantee shall not thereafter convey title to the Property to any party without first granting Grantor the option to repurchase it. Grantee shall notify Grantor of Grantee's intent to convey title to the Property and Grantor will have 30 days to notify Grantee whether Grantor elects to repurchase the Property. If Grantor timely gives such notice, Grantee shall convey title to the Property to Grantor by special warranty deed on the date that is 30 days after Grantor's notice in exchange for Grantor's payment to Grantee of a purchase price equal to the amount paid by Grantee to Grantor for the Property of even date herewith.

(2) At all times prior to and during Grantee's construction of the CR 279 Improvements, Grantor shall have reasonable access and/or ingress to or egress from Grantor's remainder property over and across the existing driveway areas within the Property (the "CR 279 Driveways"). If, at any time in the future, Grantor or its successors and assigns desire to construct additional driveways onto County Road 279 or relocate one or more of the CR 279
