2.1.2

This Contract represents the entire and integrated agreement between the Parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral. If anything in the other Contract Documents, other than a Modification, is inconsistent with this Contract, this Contract shall govern. To the extent of any direct conflict or inconsistency between any of the Contract Documents, CMAR shall immediately notify County and seek clarification from A/E and County.

2.1.3

The term “CMAR” shall be interchangeable with the terms “Proposer,” “Bidder,” “Respondent,” “Contractor,” and “General Contractor” or other similar terms as appropriate in the Contract Documents.

The County Auditor shall document to CMAR the issues related to disputed invoices within **ten (10) days** of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of **Texas Government Code, Chapter 2251, V.T.C.A.**

In addition to other required items, if requested by County, each Application for Payment shall be accompanied by the following, all in a form and substance satisfactory to County and in compliance with applicable statutes of the State of Texas:

Upon receipt of final payment, CMAR shall submit an **Unconditional Waiver and Release on Final Payment** as required by **Texas Property Code, §53.284**; and

6.1.5

Each Application for Payment shall be based on the most recent schedule of values submitted by CMAR in accordance with the Contract Documents. The schedule of values shall allocate the entire GMP among the various portions of the Work, except that CMAR's Fee shall be shown as a single separate item. The schedule of values shall be prepared in such form and supported by such data to substantiate its accuracy as County or A/E may require. 6.1.6

Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment. The percentage of completion shall be the percentage of that portion of the Work which CMAR has actually been completed.

6.1.7

Subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

- .1 Take that portion of the GMP properly allocable to completed Work as determined by multiplying the percentage of completion of each portion of the Work by the share of the GMP allocated to that portion of the Work in the schedule of values. Pending final determination of cost to County of changes in the Work, amounts not in dispute shall be included as provided in **UGC 7.3.9**;
- .2 Add that portion of the GMP properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the Work, or if approved in advance by County, suitably stored off the site at a location agreed upon in writing;
- .3 Add CMAR's Fee, less retainage of **five percent (5%)**. CMAR's Fee shall be computed upon the Cost of the Work at the rate stated in **Section 7.1** or, if CMAR's Fee is stated as a fixed sum in **that Section**, shall be an amount that bears the same ratio to that fixed-sum fee as the Cost of the Work bears to a reasonable estimate of the probable Cost of the Work upon its completion;
- .4 Subtract retainage of **five percent (5%)** from that portion of the Work that CMAR self-performs;
- .5 Subtract the aggregate of previous payments made by County;

- .6 Subtract the shortfall, if any, indicated by CMAR in the documentation required by **Paragraph 6.1.4** to substantiate prior Applications for Payment, or resulting from errors subsequently discovered by County's auditors in such documentation; and
- .7 Subtract amounts, if any, for which County or A/E has withheld or nullified a Certificate for Payment as provided in **UGC 9.5**.

6.1.8

Except with County's prior approval, payments to Subcontractors shall be subject to retention of not less than **five percent (5%)**. County and CMAR shall agree upon a mutually acceptable procedure for review and approval of payments and retention for subcontracts.

6.1.9

Except with County's prior approval, CMAR shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.

6.1.10

In taking action on CMAR's Applications for Payment, A/E and County shall be entitled to rely on the accuracy and completeness of the information furnished by CMAR. Review or approval of CMAR's Applications for Payment by County or A/E shall not constitute a representation that either County or A/E has made a detailed examination, audit or arithmetic verification of the documentation submitted by CMAR; made exhaustive or continuous inspections of the Work; or whether CMAR has properly paid its Subcontractors, suppliers, laborers, equipment providers or others how provided labor or materials to the Project. Such examinations, audits and verifications, if required by County, the Contract Documents, or applicable law, will be performed by County's auditors acting in the sole interest of County.

6.2.3

County's auditors will review and report in writing on CMAR's final accounting within **thirty (30) business days** after delivery of the final accounting to County by CMAR. Based upon such Cost of the Work as County's auditors report to be substantiated by CMAR's final accounting, and provided the other conditions of **Paragraph 6.2.1** have been met, A/E will, within **seven (7) business days** after receipt of the written report of County's auditors, either issue to County a final Certificate for Payment with a copy to CMAR, or notify CMAR and County in writing of A/E's reasons for withholding a certificate as provided in **UGC 9.5.1**. The time periods stated in **this Section** supersede those stated in **UGC 9.4.1**. A/E is not responsible for verifying the accuracy of CMAR's final accounting.

6.2.4

If County's auditors report the Cost of the Work as substantiated by CMAR's final accounting to be less than claimed by CMAR, CMAR shall be entitled to request mediation of the disputed amount without seeking an initial decision pursuant to **UGC 15.2**. A request for mediation shall be made by CMAR within **thirty (30) business days** after CMAR's receipt of a copy of A/E's final Certificate for Payment. Failure to request mediation within this **thirty (30)-business day** period shall result in the substantiated amount reported by County's auditors becoming binding on CMAR. Pending a final resolution of the disputed amount, County shall pay CMAR the amount certified in A/E's final Certificate for Payment.

ARTICLE 7 CMAR'S RESPONSIBILITIES

CMAR's Preconstruction Phase responsibilities are set forth in **Sections 7.1 through 7.2**. CMAR's Construction Phase responsibilities are set forth in **Section 7.3**. County and CMAR may agree, in consultation with A/E, for the Construction Phase to commence prior to completion of the Preconstruction Phase, in which case, both phases will proceed concurrently. CMAR shall designate a representative authorized to act on behalf of CMAR with respect to the Project.

7.1 Preconstruction Phase.

7.1.1 CMAR.

CMAR shall provide a preliminary evaluation of County's program, design criteria, schedule, and construction budget requirements, each in terms of the other.

7.1.2 Consultation.

CMAR shall schedule and conduct meetings with A/E and County to discuss such matters as procedures, progress, coordination, and scheduling of the Work. Frequent meetings are anticipated prior to County's acceptance of the GMP and during the completion of the Contract Documents. CMAR shall advise A/E and County on proposed site use and improvements, selection of materials, and building systems and equipment. CMAR shall also provide recommendations in writing consistent with the Project requirements to A/E and County on constructability; availability of materials and labor; time requirements for procurement, installation and construction; and factors related to construction cost including, but not limited to, costs of alternative designs or materials, preliminary budgets, life-cycle data, and possible cost reductions.

7.1.3 Preliminary Project Schedule.

- .1 When Project requirements described in **Paragraph 8.1.1** have been sufficiently identified, CMAR shall prepare, and periodically update, a preliminary Project schedule for review and approval by A/E and County. CMAR shall coordinate and integrate the preliminary Project schedule with the services and activities of County, A/E, and CMAR. As the design proceeds, the preliminary Project schedule shall be updated by CMAR to indicate proposed activity sequences and durations, milestone dates for receipt and approval of pertinent information, submittal of a GMP proposal, preparation and processing of shop drawings and samples, delivery of materials or equipment requiring long-lead-time procurement, County's occupancy requirements, showing portions of the Project having occupancy priority, and the proposed date of Substantial Completion. If preliminary Project schedule updates indicate that previously approved schedules may not be met, CMAR shall make recommendations to A/E and County in writing.
- .2 CMAR shall, at County's request, attend public meetings and hearings concerning the development and schedule of the Project.
- .3 When Project requirements described in **Paragraph 8.1.4** have been sufficiently identified, CMAR shall prepare, and periodically update, a Project schedule for A/E's review and County's acceptance. CMAR shall obtain A/E's approval for the portion of the Project schedule relating to the performance of A/E's services. The Project schedule shall coordinate and integrate CMAR's services, A/E's services, other County consultants' services, and County's responsibilities and identify items that could affect the Project's timely completion. The updated Project schedule shall include the following: submission of the GMP proposal; components of the Work; times of commencement and completion required of each Subcontractor; ordering and delivery of products, including those that must be ordered well in advance of construction; and the occupancy requirements of County.

7.1.4 Phased Construction.

CMAR shall provide recommendations in writing with regard to accelerated or fast-track scheduling, procurement, or phased construction. CMAR shall take into consideration cost reductions, cost information, constructability, provisions for temporary facilities and procurement and construction scheduling issues.

7.1.5 Preliminary Cost Estimates.

- .1 Based on the preliminary design and other design criteria prepared by A/E, CMAR shall prepare preliminary estimates of the Cost of the Work or the cost of program requirements using area, volume or similar conceptual estimating techniques for A/E's review and County's approval. If A/E or CMAR suggest alternative materials and systems, CMAR shall provide cost evaluations of those alternative materials and systems in writing.
- .2 As the Drawings, Specifications, and other Contract Documents are developed, CMAR shall prepare and update, at appropriate intervals agreed to by County, CMAR and A/E, estimates of the Cost of the Work of increasing detail and

refinement and allowing for the further development of the design until such time as County and CMAR agree on a GMP for the Work. Such estimates shall be provided for A/E's review and County's approval. CMAR shall inform A/E and County when estimates of the Cost of the Work exceed the latest approved Project budget and make recommendations for corrective action in writing.

7.1.6 Subcontractors and Suppliers.

CMAR shall develop bidders' interest in the Project.

7.1.7

CMAR shall prepare, for A/E's review and County's acceptance, a procurement schedule for items that must be ordered well in advance of construction. CMAR shall expedite and coordinate the ordering and delivery of materials that must be ordered well in advance of construction as required to meet the Project schedule. If County agrees to procure any items prior to the establishment of the GMP, County shall procure the items on terms and conditions acceptable to CMAR. Upon the establishment of the GMP, County shall assign all contracts for these items, if any, to CMAR and CMAR shall thereafter accept responsibility for them.

7.1.8 Extent of Responsibility.

CMAR shall exercise reasonable care in preparing schedules and estimates. CMAR, however, does not warrant or guarantee estimates and schedules except as may be included as part of the GMP. CMAR is not required to ascertain that the Drawings and Specifications are in accordance with applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of public authorities, but CMAR shall promptly report to A/E and County any questions or suspected nonconformity discovered by CMAR as a request for information in such form as County or A/E may require.

7.1.9 Notices and Compliance with Laws.

CMAR shall comply with applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities applicable to its performance under this Contract, and with equal employment opportunity programs, and other programs as may be required by governmental and quasi-governmental authorities for inclusion in the Contract Documents.

7.1.10 Preconstruction Phase Compensation.

CMAR shall be paid for preconstruction services, as described in **Section 4.1**, prior to moving to GMP.

7.2 Guaranteed Maximum Price Proposal and Contract Time.

7.2.1

At a time to be mutually agreed upon by County and CMAR and in consultation with A/E, CMAR shall prepare a GMP proposal for County's review and acceptance. The GMP in the proposal shall be the sum of CMAR's estimate of the Cost of the Work, CMAR's Fee, and Owner's Contingency.

7.2.2

To the extent that the Drawings and Specifications are anticipated to require further

development by A/E, CMAR shall provide in the GMP for such further development consistent with the Contract Documents and reasonably inferable therefrom. Such further development does not include such things as changes in scope, systems, kinds and quality of materials, finishes or equipment, all of which, if required, shall be incorporated by Change Order.

7.2.3

CMAR shall include with the GMP proposal a written statement of its basis, which shall include the following:

- .1 A list of the Drawings and Specifications, including all Addenda thereto, and the Conditions of this Contract;
- .2 A list of the clarifications and assumptions made by CMAR in the preparation of the GMP proposal, including assumptions under **Paragraph 7.2.2**, to supplement the information provided by County and contained in the Drawings and Specifications;
- .3 A statement of the proposed GMP, including a statement of the estimated Cost of the Work organized by trade categories or systems, allowances, and CMAR's Fee;
- .4 The anticipated date of Substantial Completion upon which the proposed GMP is based.

7.2.4

In preparing the GMP proposal, CMAR shall include an Owner's Contingency to cover costs considered to be reimbursable as Cost of Work but not included in Change Orders.

7.2.5

CMAR shall meet with A/E and County to review the GMP proposal. In the event that A/E and County discover any inconsistencies or inaccuracies in the information presented, they shall promptly notify CMAR, who shall make appropriate adjustments to the GMP proposal, its basis, or both.

7.2.6

If County notifies CMAR that County has accepted the GMP proposal in writing before the date specified in the GMP proposal, the GMP proposal shall be deemed effective without further acceptance from CMAR. Following acceptance of a GMP, County and CMAR shall execute the GMP Proposal amending this Contract. The GMP Proposal shall set forth the agreed upon GMP with the information and assumptions upon which it is based.

7.2.7

CMAR shall not incur any cost to be reimbursed as part of the Cost of the Work prior to the commencement of the Construction Phase unless County provides prior written authorization for such costs.

7.2.8

County shall authorize A/E to provide the revisions to the Drawings and Specifications to

incorporate the agreed-upon assumptions and clarifications contained in the GMP Proposal. County shall cause A/E to promptly furnish those revised Drawings and Specifications to CMAR as they are revised. CMAR shall notify A/E and County of any inconsistencies between the GMP Proposal and the revised Drawings and Specifications.

7.3 Construction Phase.

7.3.1 General.

- .1 For purposes of **UGC 8.1.2**, the date of commencement of the Work shall mean the date of commencement of the Construction Phase.
- .2 Following County's acceptance of CMAR's GMP proposal, the Construction Phase shall commence upon County's issuance of a Notice to Proceed for the Construction Phase.
- .3 CMAR shall fully execute the Work described in the Contract Documents and reasonably inferable to provide the results intended by the Contract Documents except to the extent specifically indicated in the Contract Documents to be the responsibility of others. CMAR shall render, diligently and competently in accordance with the highest standards used in the profession, all of CMAR's services which shall be necessary or advisable for the expeditious, economical, and satisfactory completion of the Project.
- .4 CMAR shall furnish only skilled and properly trained staff for the performance of the Work. Key members of CMAR's staff shall not be changed without the written consent of County, unless such person becomes unable to perform any required duties due to death, disability, or termination of employment with CMAR. During the performance of the Work, CMAR shall keep a competent superintendent at the Project site while active construction is underway, fully authorized to act on behalf of CMAR, unless such requirement is expressly waived by County. Similarly, CMAR shall keep a competent Project Manager on-call and readily available to while active construction is underway, fully authorized to act on behalf of CMAR, unless such requirement is expressly waived by County.

7.3.2 Administration.

- .1 Those portions of the Work that CMAR does not customarily perform with CMAR's own personnel shall be performed under subcontracts or by other appropriate contracts with CMAR in accordance with the Contract Documents including, without limitation, the requirements of **Texas Government Code, §2269.255-256**. County may designate specific persons from whom, or entities from which, CMAR shall obtain bids. CMAR shall obtain bids from Subcontractors and from suppliers of materials or equipment fabricated especially for the Work and shall deliver such bids to County as required by the Contract Documents.

- .2 If the GMP has been established and when a specific bidder (1) is recommended to County by CMAR, (2) is qualified to perform that portion of the Work, and (3) has submitted a bid that conforms to established criteria and the requirements of the Contract Documents without reservations or exceptions, but County requires that another bid be accepted, then CMAR may request a Change Order in accordance with **UGC 5.2.1.1**.
- .3 Subcontracts or other contracts shall conform to the applicable payment provisions of this Contract, the UGCs, the laws of the State of Texas including, without limitation, the Texas Local Government Code, and shall not be awarded on the basis of cost plus a fee without the prior consent of County.
- .4 If CMAR recommends a specific bidder that may be considered a "related party" according to **Section 5.9**, then CMAR shall promptly notify County in writing of such relationship and notify County of the specific nature of the contemplated transaction, according to **Paragraph 5.9.2**.
- .5 CMAR shall schedule and conduct meetings to discuss such matters as procedures, progress, coordination, scheduling, and status of the Work. CMAR shall prepare and promptly distribute minutes to A/E and County.
- .6 Upon the execution of the GMP Proposal, CMAR shall prepare and submit to A/E and County a construction schedule for the Work and submittal schedule in accordance with the Contract Documents.
- .7 CMAR shall record the progress of the Project. On a monthly basis, or otherwise as agreed to by County, CMAR shall submit written progress reports to A/E and County, showing percentages of completion and other information requested or required by County. CMAR shall also keep, and make available to A/E and County, a daily log containing a record for each day of weather, portions of the Work in progress, number of workers on site, identification of equipment on site, problems that might affect progress of the work, accidents, injuries, and other information required by County.
- .8 CMAR shall develop a system of cost control for the Work, including regular monitoring of actual costs for activities in progress and estimates for uncompleted tasks and proposed changes. CMAR shall identify variances between actual and estimated costs and report the variances to A/E and County and shall provide this information in its monthly reports to A/E and County, in accordance with **Subparagraph 4.3.2.7**.

7.4 Insurance and Bonds.

For all phases of the Project, CMAR and County shall purchase and maintain insurance, and bonds as set forth below, in the Contract Documents, or as required by law.

7.5

Upon execution of this Contract, CMAR shall provide a security bond in the amount of **five percent (5%)** of County's budget, as specified in the Request for Qualifications/Request for

Proposals. The surety for a security bond shall meet the same requirements as set forth for payment and performance bonds.

7.6

Upon acceptance by County of the GMP Proposal, CMAR shall provide performance and payment bonds on forms acceptable to County. The penal sum of the payment and performance bonds shall be equal to the GMP. If construction is phased or staged with different GMPs established at different times, the penal sum of the bonds shall be increased at the start of each stage or phase based on the cumulative total value of all GMPs in effect.

7.7

Prior to final payment, CMAR shall provide County with a Warranty Bond in the sum of **ten percent (10%)** of the GMP for Construction Manager At-Risk Contracts for **twelve (12) months** from Substantial Completion of the Work. The form of bond shall be approved by County.

7.8

CMAR shall not commence Work under this Contract until it has obtained all required insurance and until evidence of the required insurance has been reviewed and approved by County. County's review of the insurance shall not relieve nor decrease the liability of CMAR. Prior to commencing any Work under this Contract, CMAR shall provide evidence of the following insurance coverages:

7.8.1 Preconstruction Phase.

Employer's Liability, Workers' Compensation, Comprehensive General Liability and Comprehensive Automobile Liability in the amounts as set forth in the Request for Qualifications/Request for Proposal, attached as an Exhibit, in the UGCs, or as otherwise specified or required by the County;

7.8.3

Prior to commencing any construction work, CMAR shall provide evidence of Builder's Risk coverage as set forth in the Request for Qualifications/Request for Proposal, attached as an Exhibit, in the UGCs, or as otherwise specified or required by the County, which coverage shall remain in full force and effect throughout the term of the Project and shall be increased as necessary for each separate bid package, phase, change order, or Stage of construction prior to the commencement of construction for that package, phase, or Stage; and

7.8.4

CMAR shall include required insurance information in trade packages and indicate on bid/proposal forms the insurance that bidders/proposers are to include in their base bids/proposals.

7.9

CMAR shall not cause or allow any of its required insurance to be canceled, nor permit any insurance to lapse during the term of this Contract or as required in this Contract. If CMAR fails to obtain, maintain, or renew any insurance required by this Contract, County may obtain insurance coverage directly and recover the cost of that insurance from CMAR.

7.10

County reserves the right to review the insurance requirements set forth in **this Article** during the effective period of this Contract and to make reasonable adjustments to the insurance coverages and their limits when deemed necessary and prudent by County based upon changes in statutory law, court decisions, or the claims history of the industry as well as CMAR.

7.11

County shall be entitled, upon request, and without expense, to receive complete copies of the policies with all endorsements and may make any reasonable requests for deletion, or revision or modification of particular policy terms, conditions, limitations, or exclusions, except where policy provisions are established by law or regulation binding upon the Parties or the underwriter of any of such policies. Damages caused by CMAR failing to purchase and maintain the insurance required by this Contract shall be paid by CMAR.

7.12

The cost of premiums for any additional insurance coverage desired by CMAR in excess of that required by this Contract or the Contract Documents shall be borne solely by CMAR out of its fees and not included in the GMP Proposal as a Direct Construction Cost.

11.2 Suspension.

The Work may be suspended by County as provided in **UGC 14.3**. In such case, the GMP and Contract Time shall be increased as provided in **UGC 14.3.2**, except that the term "profit" shall be understood to mean CMAR's Fee as described in **Section 4.2**.

11.3 Termination Prior to Establishing Guaranteed Maximum Price.

11.3.1

Prior to the execution of the GMP Proposal, County may terminate this Contract upon not less than **seven (7) calendar days** written notice to CMAR for County's convenience and without cause, and CMAR may terminate this Contract, upon not less than **seven (7) calendar days** written notice to County, for the reasons set forth in the UGCs.

11.3.2

In the event of termination of this Contract pursuant to **Paragraph 11.3.1**, CMAR shall be equitably compensated for Preconstruction Phase services based on the services actually performed in relation to the payment schedule set forth in **Paragraph 6.2.1**. In no event shall CMAR's compensation under **this Article** exceed the compensation set forth in **Section 6.2**.

11.3.3

If County terminates this Contract pursuant to **Paragraph 11.3.1** after the commencement of the Construction Phase but prior to the execution of the GMP Proposal, County shall pay to CMAR an amount calculated as follows, which amount shall be in addition to any compensation paid to CMAR under **Paragraph 11.3.2**:

- .1 Take the Cost of the Work incurred by CMAR to the date of termination;
- .2 Add CMAR's Fee computed upon the Cost of the Work to the date of termination at the rate stated in **Section 6.1** or, if CMAR's Fee is stated as a fixed sum in **that Section**, an amount that bears the same ratio to that fixed-sum Fee as the Cost of the Work at the time of termination bears to a reasonable estimate of the probable Cost of the Work upon its completion; and
- .3 Subtract the aggregate of previous payments made by County for Construction Phase services.

11.3.4

County shall pay CMAR fair compensation, either by purchase or rental at the election of County, for any equipment owned by CMAR which County elects to retain and which is not otherwise included in the Cost of the Work under **Subparagraph 11.3.3.1**. To the extent that County elects to take legal assignment of subcontracts and purchase orders (including rental agreements), CMAR shall, as a condition of receiving the payments referred to in **this Section**, execute and deliver all such papers and take all such steps, including the legal assignment of such subcontracts and other contractual rights of CMAR, as County may require for the purpose of fully vesting in County the rights and benefits of CMAR under such subcontracts or purchase orders. All Subcontracts, purchase orders and rental agreements entered into by CMAR will contain provisions allowing for assignment to County as described above.

11.3.5

If County accepts assignment of subcontracts, purchase orders or rental agreements as described above, County will reimburse or indemnify CMAR for all costs arising under the subcontract, purchase order or rental agreement, if those costs would have been reimbursable as Cost of the Work if this Contract had not been terminated. If County chooses not to accept assignment of any subcontract, purchase order or rental agreement that would have constituted a Cost of the Work had this Contract not been terminated, CMAR will terminate the subcontract, purchase order or rental agreement and County will pay CMAR the costs necessarily incurred by CMAR because of such termination.

Following execution of the GMP Amendment and subject to the provisions of **this Section**, this Contract may be terminated as provided in the UGCs.

If County terminates this Contract after execution of the Guaranteed Price Amendment, the amount payable to CMAR pursuant to **UGCs 14.2 and 14.4** shall not exceed the amount CMAR would otherwise have received pursuant to **Paragraphs 11.2.2 through 12.2.3**.

If CMAR terminates this Contract after execution of the GMP Amendment, the amount payable to CMAR under **UGC 14.1.3** shall not exceed the amount CMAR would otherwise have received under **Paragraphs 11.3.2 through 11.3.3**, except that CMAR's Fee shall be calculated as if the Work had been fully completed by CMAR, utilizing as necessary a reasonable estimate of the Cost of the Work for Work not actually completed.
