It is further agreed that Vendor shall be responsible for the proper disposition and removal of excess or stale dated commodities that have been obtained through the USDA surplus commodity program.
28. County agrees to make available for vendors use the kitchen facilities, utensils, and equipment located in the County Jail at no cost for the performance of this Contract. County states, and Vendor understands, that this is only an accommodation to Vendor and that County makes no warranties, expressed or implied, as to their availability, and Vendor acknowledges that Vendor must have a contingency plan to provide food to the inmates in the event that County facilities are not available for his/her use. The Contractor's liability for providing maintenance and repairs will be limited to the sum of \$25,000 per contract year (October 1 through September 30 each year (each a "Contract Year")), and which shall pro-rated in the first Contract Year beginning on the Effective Date and ending on September 30, 2022. In the event the Contractor's expenditures in a Contract Year exceeds \$25,000, the County will reimburse Contractor for such expenditures. Contractor shall notify and receive permission from the County prior to incurring any repair and/or maintenance cost above the \$25,000 annual limit. In the event Contractor's annual repair and maintenance expenditures for a Contract Year are less than \$25,000 the Contractor shall reimburse the County the difference between the costs incurred and the sum of \$25,000. If, in the Contractor's opinion, a piece of kitchen equipment is judged to be past its useful life and repair is not justified, Contractor shall notify the County accordingly. Upon such notification, the

- County will either advise Contractor to proceed with repairs and/or maintenance or the County will assume responsibility for replacing the equipment.
29. County agrees to pay all utility costs for preparation of foodstuff, but under no circumstance will County reimburse Vendor for any utility costs if Vendor uses any other facilities for preparation of food.
  30. County agrees to provide pest control for all areas within the Jail, including those areas utilized by Vendor in performance of this Contract, and to maintain adequate security of all food service areas during food service operations, and to provide clean uniforms for all inmate workers and to provide paper and plastic eating supplies as required.

When inmate trustees are provided to assist in the food service, the trustees must be supervised by a County Licensed Correction Officer ONLY. As set out herein above and in addition to the foregoing, inmate trustee labor will be available once the meals are delivered by the Vendor to the interior secure area of the Jail during construction on the Jail kitchen and inmate trustee labor will not be made available outside of the secured area of the Jail during the construction of the Jail kitchen.
  32. Subject to the termination rights set out herein, this Contract between County and Vendor shall be in force commencing on November 23, 2021 (the "Effective Date") until September 30, 2024 (the "Initial Term").
  33. At the end of the Initial Term, the Commissioners Court of Williamson County reserves the right to extend this Contract for up to two (2) additional twelve (12) month extension terms, by mutual agreement of both parties, as it deems to be in the best interest of the County. In the event County pays for the cost of supplies or materials obtained for use under this Contract up to the effective date of termination, said supplies or materials shall become the property of Williamson County and shall be delivered to the Jail. Other than the County's

- responsibilities in this Agreement, and including but limited to its reimbursement obligations in Section 19 and its payment obligations in this Section 34, no penalty will be assessed for Williamson County's termination for convenience.
35. County and Vendor both agree that the Williamson County Commissioners Court shall be the sole and final authority on issues relating to this Contract. Should any matter not be resolved to the Vendor's satisfaction, Vendor shall have the right to be heard in open court by Commissioners Court and the decision of Commissioners Court shall be final and conclusive and shall be binding on all parties concerned.
  36. Vendor understands that to the extent that County provides equipment for preparation of food for inmates, such equipment, if used, shall be used for food preparation for County inmates only.
  37. The financial arrangements in this Contract are based on conditions existing as of the effective date of the Contract including any representations regarding existing and future conditions made by County in connection with the negotiation and execution of this Agreement. If such conditions change due to causes beyond Vendor's control, including, but not limited to, a change in the scope of Vendor's services; menu changes; a decrease in the Facility's inmate population; efforts to organize labor; increases in food, fuel, equipment, utilities and supply costs; Federal, State and local sales, and other taxes and other operation costs; a change in Federal, State and local standards, requirements recommendations, and regulations; or other unforeseen external market conditions outside Vendor's control, then Vendor shall give County written notice of such requested increase or change with adequate supporting documentation to justify the request or change, and within thirty (30) calendar days after such notice, Vendor and County shall mutually agree upon reasonable modification(s) to offset the impact of the increase or change, which modifications may include any or a combination of the following: an adjustment to Vendor's price per meal, modifications to the menu, or modifications to Vendor's scope of services. The burden of proof for the need of such relief shall rest upon the party obligated to perform. To obtain release based on force majeure, the party obligated to perform shall provide a written notice with the other party.
